1. Updates

- a. Flip the Script (Feb 10 and 17) – SVPE Ambassadors indicated the group was a success with 12 women completing the 12-hour course over two consecutive Fridays. Women shared feeling empowered and heard in a safe space. The feedback was positive, and women stated they would like to get together in the future in a drop-in format. To be discussed with ambassadors.
- b. Bringing in the Bystander (Feb 8) – Paula & Sultan hosted our first BITB training at our downtown campus with 10 attendees. Students participated openly and conversation was positive surrounding building a safer campus community.
- c. SSAA Video – Ashley has added non-copyrighted music to the video and will be adding captions for next meeting.
- d. HealthBot – Alex & Ryan discussed details with rep from HealthBot and are waiting on invoice to share with respective teams/SVP committee.

2. Actions

- a. IPV and HT presentation by Const. Gill (WPS) – Alex has scheduled this workshop for March 20th in collaboration with Gem residence. Student Services to support by offering coffee/hot chocolate/cookies. Eventbrite page developed to track registration.
- b. Next Flip the Script to be scheduled for a Sat/Sun tentatively April 15/16
- c. Bringing in the Bystander scheduled for Mar 8 online and Apr 4 on main campus
- d. Poster campaign in bathroom stalls with link/QR to SCC SVP as Ryan shared poster holders have been added to various spaces around campus. Alex to add Ryan to social media outreach list with Rees.
- e. WECHU Sexual Health booth postponed as outreach manager stated they generally defer this work to Teen Health. To be discussed for September orientation.

3. Awareness

- a. Panic alarms have been ordered for outreach hours
- b. Information cards printed and distributed across three campuses
- c. Tabling Hours ongoing on Wednesdays except March Break
