

Welcome to St. Clair College, Esthetician Program!

My name is Deborah Agostini and I will be your program coordinator for 2021/2022. It is with great pleasure that I welcome you into the Esthetician Program.

You are about to embark on an exciting, rewarding, ever changing & growing career. I personally would like to invite you to join us for the program Orientation.

Information regarding a virtual Student Orientation is posted on our website at <https://stclaircollege.ca/virtual-orientation>

Before your first week of class you are required to purchase Milady Standard Esthetics 12th Edition MindTap access card and the Nail Technology 8th Edition MindTap access card, from the college bookstore. These MindTap access cards include your digital copy of your textbooks which are utilized throughout the program. Approximate cost total \$882.75 + tax.

For system requirements, Please check out <https://milady.cengage.com/system-requirements>

You may be called upon to purchase additional textbooks for your General Education/Elective classes.

Students are required to wear the Esthetician program grey scrubs and soft soled shoes during all practical labs, as part of our workplace safety protocols. The cost of the Esthetician scrub set is \$44.00 +tax, available at the college bookstore. It is highly recommended that you have at least 2 sets, as you will be wearing them daily.

It is compulsory to wear a soft soled, closed back and toe shoe such as: a running shoe, in lab.

As part of your tuition, you will receive a kit which includes the essential supplies and equipment needed for your practical applications. You will receive your kit the first week of class. Please bring shopping bags/bins to carry the items home. I would also recommend arranging transportation.

The program and courses will be explained in more detail during Orientation.

Looking forward to speaking with you and meeting in September! Please feel free to contact me directly if you have any questions or concerns via email. I will be happy to assist you in any way I can.

Sincerely,

Deborah Agostini
